LETTER TO EXAMINER

Commissioner for Patents
PO Box 1450
Alexandria, Virginia 22313-1450

Sir:

Submitted herewith is an Application Data Sheet and Second Preliminary Amendment to revise the priority data in Application No. 10/314,330. The priority data submitted in the Specification indicates that this application claims priority to Application No. 09/038,995. However, the present application properly claims priority to Application No. 09/038,955. Therefore, this application is a continuation of Application No. 09/307,816, now U.S. Pat. No. 6,306,393, which is a continuation-in-part of Application No. 09/038,955, now U.S. Patent No. 6,183,744.

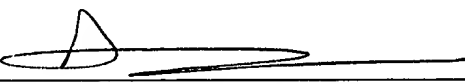

The error at issue is clerical in nature and resulted from propagation of the same error made originally in prior copending Application No. 09/307,816. Applicant submits that the error occurred in good faith and the correction to the error does not introduce any new subject matter.

It is believed that no fee is needed in connection with this action. However, the Commissioner is authorized to charge any deficiency or credit any overpayment to Deposit Account No. 19-0741.

Respectfully submitted,
